Eurotech Aluminium Castings operates internationally on the European market.

Turnover per country

Aluminium is used in more and more markets due to its unique properties (it's recyclable, a good conductor and is strong and light). Eurotech Aluminium Castings therefore operates in several markets. This ensures a good spread of customers over the various sectors. These include:

- **Medicine**
- **Engines**
- **Textiles**
- **Imaging**
- **Energy**
- **Defence**
- **Graphics**
- **Racing**

This is a special market for Eurotech Aluminium Castings bearing in mind the sister company, [Eurotech Viking Engineering](#) builds racing cars. Eurotech Aluminium Castings has built up the necessary experience with them in this field.
